

*New players welcome!*

**Flipper Ball is the modified junior version of water polo and may be played by grade 3 to grade 6 boys and girls.**

**A non-contact sport played in shallow water, Flipper Ball enables children to learn the skills of water polo in a safe and enjoyable environment.**

**Flipper Ball is an ideal year round sport which promotes water confidence and helps develop water skills.**

We invite you and your school or group to come and try Flippa Ball. Teams consist of seven players, one of whom shall be the goalkeeper, teams can have between 3 and 6 substitutes.

All Flippa Ball and water polo equipment is supplied on the night. Players just need to bring their own personal swimming equipment. Instruction is provided by experienced coaches who can help players to quickly grasp the basics of the sport.

Games are held at the Hobart Aquatic Centre, Davies Avenue, Queens Domain, Hobart, Tasmania.
